Tapestry's mission is to minister the Gospel of Jesus Christ in a fresh new way. With God before us, we have been blessed to minister in a number of different churches and venues in and around Connecticut and have been well received. We consider ourselves a group of worshipers who's goal individually and as a group is to see God be glorified, to seek and save those who are lost and to minister the gospel through music. The blessing for us is our style of music has enabled us to reach a broader group of people and has also provided a different style of music for Christians to enjoy.

Tapestry ministers music in the form of Gospel, Latin Jazz and Contemporary Christian Worship in English and Spanish.
