

Cup of Grace Coffeehouse

presents:

True Witness

www.truewitness.com

...a New York based band whose contemporary style of music is a blend of acoustic and electric rock that identifies with all age ranges through various instrument arrangements, inspirational vocals and rhythms.

They have a passion to present thought provoking songs that describe life's struggles and offer encouraging solutions to the challenges of living each day.

Their songs focus on an uplifting positive message that love is enough. The band's commitment is to offer a discovery and provide an experience of strength, faith and hope by bringing Christ to clarity through music and lyrics. The band sings their testimony and the music reaches out to all people, everywhere.

The music of True Witness is about life, truth, hope, and the love that only Christ can bring.

Please join us for good coffee, great music, food,
